

Specification Sheet

The Gibco Ultraline Kiosk

Features

The Ultraline is our most popular enclosure. The Ultraline accepts all kiosk components and can be configured to use your existing computer hardware. It is an attractive, simple and economical kiosk solution.

The Ultraline kiosks are furniture style enclosures. The Ultraline allows you to choose from hundreds of colors, patterns and wood grain plastic laminate as well as natural wood. Match your Decor. The Ultraline is also designed to house existing desktop computer hardware. These enclosures are adaptable to any size monitor. The full size lower compartment will hold a 8.5" x 11" laser printer as well as a full size CPU.

Flexible design will accept any desktop or mounted flat screen monitor
